### \*Subject to sighting of the new Moon

**MOON INFORMATION:** We had perfect conditions on the evening of 29th Rabi ul Thani (Sat 25 Apr) everywhere in the UK but have received negative sighting reports, there was no sighting in Morocco where 4 senior ulema from Batley were visiting or from any other Country to our East. However we have received testimony from 2 students of Darul Uloom Leicester that they have sighted the Moon (details on our website). We therefore had 29 days of Rabi ul Thani. The 1st of Jamada al Ula will be from Sunday 26th April Insha Allah.

Saudi Arabia had 29 days of Rabi ul Thani and will commence Jamada al Ula from Sun 26th April according to the pre calculated Umm ul Qura Calendar.
