*Subject to sighting of the new moon

MOON INFORMATION: It was mostly cloudy almost everywhere in the UK so there were no reported sightings from anywhere. However we have received news of confirmed sighting (Muhaqqaq Ru'yat e Basri) in many places in South Africa. Therefore the 1st of Ramadhan 1429 will be on Monday 1st September 2008.

Our decision is based on the fact that the decision of the Jamiat ul Ulama of South Africa is in accordance to our Sh'ree principals and is fully supported by the Fatwa we have received from Darul Uloom Deoband and other Mufti e Kiram. These are available on our website: wifaqululama.co.uk
