## Re: Bilateral Agreement with Grenada Islamic Foundation

We hereby formalise a bilateral agreement between *Wifāqul Ulāmā* and Grenada Islamic Foundation to share Moon Sighting information and testimonies. This bilateral agreement is being signed for the betterment of Muslim community in the United Kingdom.

**It is noted that due to time differences it is not possible for British Muslims to follow moonsighting (of Grenada) and this agreement is for information sharing and research purposes only.**

Sharing of information does not obligate collective decision making or consensus on Islāmīc dates.
