\*Subject to sighting of the new moon

The month of Jumad Al Ukhra is the Sixth month in the Islamic calendar. This month has no specific rules or customs practiced by the Muslim Ummah.

We are pleased to conform that Mufti Ebrahim Desai from South Africa, will be with us Insha'Allah on 30th June and 1st July. Please go to our website [wifaqululama.co.uk](http://wifaqululama.co.uk) for full listing of programmes.

**MOON INFORMATION:** The New Moon (Birth) was on 15 June 2007 at 04h : 13m (BST). We had attempted to see the Moon on the evening of the 15 June. Even though the moon was just over 17 hours old and was on the Horizon for 73 minutes it was not seen anywhere in the U.K. We had no reported sightings from **Morocco** either. We have therefore completed 30 days of Jumad Al Ula. Based on the **Saudi System** they have yet again announced the beginning of the month **incorrectly**. **The moon was just over 12 hours old at the time of Sunset in Saudi Arabia and impossible to see even with the aid of a telescope.**
