***Subject to sighting of the new Moon ** 15th Sha'ban is on Friday 7th August.**

MOON INFORMATION: We had overcast conditions in the whole of UK so we were unable to sight the Hilal. There were also negative sighting reports from Morocco and South Africa. We have therefore completed 30 days of Rajab so the 1st day of Sha'ban will be from Friday the 24th July 2009 Insha Allah.

Saudi Arabia had 29 days of Rajab and have commenced from Thursday 23rd July, this is according to the pre calculated Umm ul Qura Calendar. There was a full Solar eclipse on 22nd July, according to the Fatwa of Sheikh AsSaleh al Othaimen no sighting is possible on the evening after the Solar Eclipse. *"if an eclipse takes place after sunset in any place on Earth, it becomes impossible to have a new month the next day"...* Sheikh Othaimen.
