***Subject to sighting of the new Moon ** Eid ul Adha**

MOON INFORMATION: There was no reported sighting news from anywhere in the UK although we had clear conditions in many places. However we have received news of actual sighting (Muhaqq Ru'yat e Basri) from South Africa. We therefore had 29 days of Dhul Qa'dah and the 1st day of Dhul Hijjah will be from Wednesday 18th November 2009 Insha Allah.

Some Ulema from the UK who have gone for Hajj had travelled to the official sighting location in Makkah al Mukkarama, they had all reported negative sighting, despite that Saudi Arabia also had 29 days of Dhul Qa'dah and have also commenced the Month of Dhul Hijjah from Wednesday according to the pre calculated Umm ul Qura Calendar. This now means that every single Month this year has been based on Umm ul Qura Calendar. Something never done before!
