*Subject to sighting of the new Moon

MOON INFORMATION: There was no reported sighting news from anywhere in the UK. Conditions were overcast everywhere. We did not receive news of actual sighting (Muharaq Ru'yat e Basri) from anywhere else from the east of UK either. We have therefore completed 30 days of Muharram and the 1st day of Safar will be from Sunday 17th January 2010 Insha Allah.

Saudi Arabia had 29 days of Muharram and have commenced the Month of Safar from Saturday 16th January according to the pre calculated Umm ul Qura Calendar. Leaving rest of the world perplexed once again as it was a day of Solar eclipse and impossible to sight the Moon!
