***Subject to sighting of the new Moon Please note: Islamic Date starts at Sunset of previous day.**

MOON INFORMATION: Many of us attempted to sight the Hilal in the UK but due to heavy clouds in most places in the UK we were not able to sight the Crescent. We have not received any reports of actual sighting (Muhaqq Ru'yat e Basri) from anywhere to the east of UK or Morocco. We have therefore completed 30 days of Muharram and the first day of Safar will be on Thursday 6th January 2011 Insha Allah.

Saudi Arabia had 29 days of Muharram and will commence the Month of Safar from Wednesday 5th January based on the pre calculated Umm ul Qura Calendar.
