MOON INFORMATION: We had heavy rain in most of the country and so have received negative reports from all the people who attempted a sighing from the UK. We have not received news of actual sighting (Muhaqaq Ru'yat e Basri) from anywhere to the East of UK. Therefore we will complete 30 days of Shawwal and the 1st day of Dhul Qa'dah in the UK will be on Wednesday 27th August 2014 in accordance to the Sunnah, Insha Allah.

We have un confirmed reports from Saudi Arabia that they have commenced 1 day ahead of the pre calculated Umm ul Qura date so they had 29 days of Shawwal and have commenced the Month of Dhul Qa'dah from Tuesday 26th August. It could be to avoid Yawmul Arafah falling on Friday as was scheduled based on the pre calculated Calendar.
