MOON INFORMATION: Despite the efforts of many people throughout the country we have received negative reports from the UK. We have not received news of actual sighting (Muhaqqaq Ru'ayat e Basri) from anywhere to the East of UK. Therefore we will complete 30 days of Dhul Qa'dah and the 1st day of Dhul Hijjah in the UK will be on Friday 26th Sept 2014 in accordance to the Sunnah, Insha Allah.

Once again Saudi Arabia have taken erroneous sighting claims of 1 or 2 witnesses and commenced the Month of Dhul Hijjah from Thu 25th Sept. The fact that India and Pakistan where actual sighting takes place throughout the year could not sight Crescent even on Thursday is evident that they have erred once again by starting the month on the wrong day! How can there be a 2 day difference in nearby countries? This is against the system that Allah has created. May Allah SWT guide us all on Haq.
