MOON INFORMATION: We had some clear patches on Friday evening but many hundreds of people who attempted a sighing all reported negative sighting from the UK. We have not received news of actual sighting (Muhaqaq Ru'ayat e Basri) from anywhere to the east of UK and The Ministry of Awqaf in Morocco also confirmed in writing of negative sighting. We therefore completed 30 days of Sha'ban and the 1st day of Ramadhan in the UK will be on Sunday 29th June 2014 in accordance to the Sunnah, Insha Allah.

Saudi Arabia also had 30 days of Sha'ban and have also commenced the Month of Ramadhan from Sunday 29th June. For the 2nd time in History after the official pre calculated Umm ul Qura Calendar date.
